

DAILY SUMMARY

The Iran–U.S. Trigger List

Iraq/Washington – 3 March

The Pentagon [confirmed](#) that “approximately ten rockets” were fired at an Iraqi military base hosting U.S. forces; one U.S. civilian contractor died after “a cardiac episode while sheltering”.

Israel – 3 March

An Israeli minister [asserted](#) that a Libyan vessel transporting crude oil from Iran to Syria was responsible for an oil spill on Israel’s coast, and declared: “Iran is initiating terrorism not only with nuclear weapons and efforts to entrench itself on our borders. Iran is initiating terrorism by harming the environment”. “We think the leak that affected us was... either a deliberate leak, that is to say terror, or an accident”, an environmental protection ministry official assessed.

Riyadh/Yemen – 3 March

The Saudi-led coalition [reported](#) downing a Huthi “bomb-laden UAV” bound for Saudi Arabia.
